

# Community Charter Change FAQ's

*A growing community  
Built from a strong foundation*

Dear Members,

Capstone Federal Credit Union began life in 1953 as Fluor Federal Credit Union, serving the employees of Fluor Corporation, an engineering firm. In 2003, Fluor FCU became Capstone Federal Credit Union, transitioning from its sole sponsorship by Fluor Corporation in order to expand and diversify its membership. Now, we are proud to announce another major step forward for Capstone Federal Credit Union: a charter change to become a community charter, which the board approved on October 30, 2023.

Capstone Federal Credit Union has always focused on providing superior service and addressing members' financial needs. We now have the opportunity to expand our financial service offerings into our broader community, which is diverse, exciting, and engaged. We are really looking forward to serving the financial needs of more of our neighbors.

This new charter will allow us to grow our membership and provide new, enhanced services for our longtime members, like you. We look forward to sharing more with you in the coming weeks and months. If you have any questions, our online FAQ's are available at **[www.capstonefcu.coop](http://www.capstonefcu.coop)**.

We thank you for your loyal membership and look forward to continuing to serve you.

Sincerely,

Candice Landeros, CEO
